PANDORA UK

choose Bransom as exclusive partner

It gives me enormous personal pleasure to announce that Pandora have chosen Bransom as their Exclusive partner for all Pandora Concept stores.

This is a great achievement as there was very strong competition from a number of competitors including an existing Pandora supplier from Europe trying to win the business. However, I believe Bransom was chosen because of our strength in the UK market together with a unique blend of size, reputation, experience, and infrastructure required to undertake and support a project like this in the UK.

Pandora are a dynamic company and it is great to work with such a dedicated team of people who are as focused on their product and aims as we are on ours. With another 60 plus Pandora concept stores to open this year we look forward to working closely the lucky franchisees.
